

2008 MERLOT “Pépé” - Cavedale Vineyards, Sonoma Valley

Production: 45 cases made.

Named after my grandfather, Pépé, because Merlot is his favorite wine. He used to make it in his garage to share with all the family.

Our Merlot is from the organically farmed Cavedale Vineyards located on the western slopes of Mount Veeder. It's a racy mountain wine with aromas of blueberries, blackberries and sweet spices. It has a bold structure and lingering velvety finish. A stand alone Merlot! It shows a French influence in its Bordeaux-like earthiness and delicacy.
